For the filing party's future reference, a helpful tool in determining the correct filing event is the "SEARCH" option located on the CM/ECF tool bar. A text window will appear wherein the filer may type in a word that describes the filing. For example, by using the SEARCH option, a pop-up window will allow the user to type in a word (e.g. "certificate") and search for appropriate filing events that the filer may

		choose from. In this instance, the Certificate of Service filing category is located under Civil Event "Service of Process." (afc) (Entered: 10/29/2012)

Parties can file formal motions on this matter. As to production of Class Discovery, Jamie Guzman stated that documents have been sent out and should be received by Plaintiffs sometime this week. Court ordered that privilege and relevant detailed logs be produced to Plaintiffs by 12/6/2012. Plaintiffs revisited their motion for sanctions as to outstanding discovery issues. 04/02/2013		ADVISORY ENTRY re: docket entry number <u>274</u> Ex Parte MOTION for Extension of Time to File Response/Reply filed by Richard Kapela Davis. Local Rule 100.5.3 "Third Party Signatures" states in part: "An electronically filed document requiring the signature of an individual other than the ECF User, such as a...declaration, must contain the original or a scanned image of that individual's signature." Thus the declaration of Leinaala Ley should reflect an original signature. Unless ordered by the court the document need not be re-filed in its entirety. However, upon receipt of the original endorsement of declarant Leinaala Ley, the "original" declaration may be e-filed. (afc) (Entered: 04/02/2013)
