**TABLE OF CONTENTS**

Introduction..... 2

Section I. JCE Summary ..... 3

Section II. Compliance Chart..... 21

## INTRODUCTION

Rafael Ruiz of O'Toole Associates, LLC, the Joint Compliance Expert (JCE) overseeing the **Agreement for Effective and Constitutional Policing** or Settlement Agreement (SA) between the Town of East Haven and East Haven Police Department (EHPD) and the U.S. Department of Justice (USDOJ), submits this report of the JCE's findings with respect to the first 30 months of the Settlement Agreement ending on June 30, 2015. As outlined in each of the JCE's six-month reports, the JCE understands its task to be three-fold:

- 1) The JCE must ensure that the EHPD is meeting all material requirements and all deadlines specified in the various paragraphs of the Settlement Agreement;
- 2) The JCE must, over time, make a more generalized assessment of whether or not the process outlined in the Settlement Agreement is achieving the desired outcomes, namely "constitutional policing, increased community trust, and professional treatment of individuals by the EHPD officers;" and
- 3) The JCE must review and evaluate all serious and significant incidents involving the EHPD. These include any serious uses of force, any complaints alleging significant misconduct, or any other event that rises to the level of being newsworthy or notorious.

As agreed in discussions with the Parties, to accomplish these tasks, the JCE will provide both qualitative and quantitative measurements of outcomes 30 months after the Settlement Agreement effective date of December 21, 2012. This report has two sections. Section I presents a narrative overview of compliance milestones achieved or in the process of being completed by the EHPD during the last 30 months. In Section II, the JCE tracks the current compliance level, discusses the progress to-date, makes recommendations for enhancements and describes the basis upon which this assessment is made for each of the 224 paragraphs (numbered 10-233) in the Settlement Agreement for the reporting period January 1, 2015 through June 30, 2015.

## SECTION I. JCE SUMMARY

**JCE NOTE:** THE TERMS HISPANIC AND LATINO/A, AS USED IN THIS REPORT, ARE USED INTERCHANGIBLY.

For the last six months, the East Haven Police Department (EHPD) has continued to make progress towards full compliance with the Settlement Agreement (SA). The JCE and the Parties, the U.S Department of Justice (USDOJ) and the Town of East Haven, continue to stay in constant contact as per the Settlement Agreement. The high level of collaboration among the Parties continues to be very positive and, as a result, EHPD has received accolades from the local community and from around the nation for its quick turn-around of the Department.

The EHPD has received invitations from other cities and towns to make presentations on its accomplishments. For example, they received an invitation from the U.S. Attorney from Massachusetts to be a featured speaker at a conference hosted by the College of Holy Cross on May 27, 2015 in Worcester, MA. The EHPD has also received positive reviews from media outlets, such as the *New Haven Register* newspaper of Connecticut. In addition, community members and clergy members have also made positive comments to the paper and in community forums about the progress made by the EHPD in working with the community. The newly appointed US Attorney General, Loretta Lynch, praised the Department when she met with community leaders and police personnel during a site visit to the East Haven Police Department in July 2015. The EHPD has also increased its commitment to community policing by assigning more officers to bicycle patrol, conducting a successful citizens police academy and by opening two mini-substations.

Nevertheless, the EHPD still has additional work to do in furtherance of the Settlement Agreement. For example, the JCE has found that some EHPD Supervisory Review of Use of Force reports are lacking in a number of areas, which may point to the need for additional training in the process of Supervisory Review report writing. It appeared to the JCE that the supervisors had the sufficient information needed to complete these reviews properly, but failed

to document all thoroughly. The JCE notified the EHPD about these issues.

During this reporting period, the JCE continued to meet with community members and business owners in East Haven and has visited several stores owned by Latino East Haven residents. The feedback has been very positive. More detail is provided below under the section “Community Engagement.”

The JCE has also reviewed and approved, along with the Parties, seven new policies and five modifications of existing policies. The Parties also agreed to recommend to the Court the following two modifications to the Settlement Agreement:

- **Use of Force Reviews by Supervisors:** All Parties agreed that due to the size of the EHPD, it is **acceptable**, going forward, to have the same supervisor, who might have witnessed an incident, also conduct the use of force review, **but only in minor cases, and only in the rare circumstance when there is no other supervisor available**. In all major cases, an independent supervisor will do the review (this is normal EHPD practice). However, the JCE will keep monitoring all use of force reviews and will bring it to the attention of EHPD when and if necessary.
- All Parties also agreed that the **unholstering of a weapon** (firearm or Taser) while not pointing it at a human being, does not constitute a Use of Force, thus it does not require a use of force review process. Further, the unholstering of the weapon will be documented on a regular police incident report by EHPD. The EHPD will train/advise supervisors on this issue. The JCE will monitor this change going forward.

During the last six months, the JCE reviewed a random sample of arrest reports, supervisory reports, all search warrants, and search warrant applications and affidavits. The JCE also received and reviewed an analysis of motor vehicle (M/V) stops data, and the Early Intervention System (EIS)/Internal Affairs Officer (IAO) database and found them to be in order. Proper procedures were followed in every case. In addition, the JCE thoroughly reviewed all use of force reports and found them to have complied with established practices and EHPD’s policies.

More details on these issues are provided below under the Settlement Agreement seven focus areas, which are: I.) General Policies and Training; II.) Bias-Free Policing; III.) Stops, Searches, and Seizures; IV.) Use of Force; V. Civilian Complaints, Internal Investigations, and Discipline; VI.) Supervision and Management; and VII.) Community Engagement and Oversight.

**I.) General Policies and Training**

**General Policies and Training Policies and Procedures Manual:** In the 30 months since the East Haven Settlement Agreement was enacted, the EHPD has developed and implemented 94 approved policies and procedures.

Within the last six months, the following five policies were completely rewritten and/or reviewed and revised based on input from EHPD officers, the JCE, the USDOJ and the East Haven Board of Police Commissioners:

- 209.2 – Discipline Guidelines Matrix
- 406.3 – Use of Less Lethal Force
- 415.3 – Domestic Violence
- 416.3 – Domestic Violence Involving Police Personnel
- 424.3 – Misdemeanor Summons Arrests

Seven new policies were issued during the reporting period:

- 309.1 – Employee and Equipment Inspections
- 310.1 – Travel Expenses of Department Employees
- 311.1 – Military Leave
- 441.1 – Domestic Violence Lethality Assessment Program
- 442.1 – Crisis Intervention Team (CIT)
- 704.1 – Canine Unit Drug Lab Management

## 802.1 – Sensitive Media and Disposal/Sanitation

One policy classification or policy number change was also made:

### 312.1 – Retired Officers Firearms Requirement

The EHPD has completed training for all 94 policies and procedures. The JCE anticipates that additional revisions and new policies and training will be completed in the coming year. The entire EHPD Policies and Procedures Manual is available on-line as well as at the Hagaman Public Library, East Haven Town Hall and in the Police Department. The JCE had an opportunity to visit these sites and found the Manual at these locations. The JCE will continue to monitor that all copies are current.

**Policy Training:** The EHPD conducted numerous trainings between January 1, 2015 and June 30, 2015 and provided the JCE with a roster of attendees that completed these trainings. The EHPD again split employees into three different training squads, with approximately twenty people in each, to allow them to better balance staffing levels and to reasonably control overtime costs. After reviewing the training schedule for 2015, the JCE coordinated a site visit on June 3, 2015 to audit on-going In-Service Training. The courses audited were: Bias-free Policing; Stop, Search, and Arrest; and Use of Force.

- In the morning class, the instructor used videos of recent incidents on use of force (video of a pregnant woman being arrested) as a sample for class discussion. The class was very involved, asking appropriate questions on the issue of use of force. The instructor talked about the potential legal remedies for the unlawful use of force. In the afternoon, the instructor continued briefly with the subject of use of force. He then turned to the subject of search and seizures and used sample cases and had the class discuss and make decisions based on situations he described to the class.
- There were lively discussions among the class and with the instructor. The instructor refreshed the class on the subject of Profiling, but did not elaborate, as he said there were no new issues since he last taught the class at EHPD. The JCE noted that the class was

composed of 17 mostly early career (aged mid-20's and early 30's) officers. Three students were female, and one of the female students was African American. There were two African American males and one Latino male. A total of four minorities were present. Here, again, the JCE noted the commitment of EHPD to a diverse police force. Just less than two years ago, the JCE remembers entering the EHPD headquarters and did not see a minority officer in the station. This time, the JCE not only saw minority officers participating in the In-service class, but also noticed an African-American Lieutenant at the front desk who was the shift commander on this particular day. Here, once again, one can see evidence of EHPD's commitment to diversity in its police department.

## **II.) Bias-Free Policing**

The EHPD reports that, "The percentage of Hispanic drivers stopped by EHPD officers for the six-month period from January 1, 2015 through June 30, 2015 was 15.52 percent. Just over 75 percent (75.13 percent) of total motor vehicle stops were non-Hispanic white drivers or white drivers of an unknown ethnicity. The remaining stops conducted were of black (7.21 percent), Asian (0.82 percent), Indian (0.34 percent), Middle Eastern (1.09 percent) or unknown race (0.0 percent) operators."

The JCE noted that the Hispanic population in East Haven in 2010, as reported by the US Census, was only 10.3 percent as compared to 15.52 percent of Hispanic drivers stopped during this period. The JCE researched this discrepancy to determine whether EHPD officers were being biased against Hispanic drivers. The JCE determined that, in general, EHPD officers' actions do not indicate bias based on estimated population numbers in East Haven today. Please see result of this research in the next section (Stops, Searches and Seizures).

EHPD further reports that:

Certain violations require the investigating officer to take enforcement action to remove the vehicle and/or operator from the roadway, such as operating under suspension, operating without a license, operating under the influence, misuse or possession of stolen marker plate, operating without insurance, and/or active arrest warrants for the operator.

In total, 190 stops during this six-month time period had one of these situations in which the officer did not have discretion and was required to take some type of enforcement action. Of these 190 stops, 56 operators or 29.47 percent were Hispanic. 114 operators or 60 percent were white non-Hispanic. 18 operators or 9.47 percent were black.

The above numbers indicate that a high percentage of Hispanic drivers were targets of enforcement action, but one must keep in mind that officers had no discretion in these instances. As far as sanctions imposed, EHPD has informed the JCE that its officers almost never attend court hearings in these cases and, therefore, do not have any input on sanctions. Nevertheless, the JCE will continue to monitor this category in future reports to look for any signs of potential bias.

EHPD also reports that:

Of the stops in which officers have the ability to exercise discretion, 979 stops were of white non-Hispanic operators and resulted in 324 instances in which officers took formal enforcement action or 33.09 percent of stops in this category. In the same situation, 170 stops of Hispanic operators resulted in 63 instances in which officers took formal enforcement action or 37.05 percent of stops in this category. 87 stops of black operators resulted in 24 instances in which officers took formal enforcement action or 27.58 percent. 14 stops of Middle Eastern operators resulted in 4 instances in which officers took formal enforcement action or 28.57 percent.

The above numbers indicate that there was an approximately 4 percentage point difference between the formal action taken against Hispanic drivers versus white drivers. Given this difference, the EHPD went further and looked to determine whether there was any one officer who targeted Hispanic drivers at a higher rate than others. EHPD determined that, indeed, there was one single officer with a higher rate of stops of Hispanic drivers and notified the JCE that it has conducted an analysis of stops by this officer. The analysis revealed that this officer had a total of 88 stops. Out of those motor vehicle stops, 23 operators were identified as being of Hispanic ethnicity, which indicates a 26 percent stop rate for operators identified as Hispanics, considerably higher than the 15.52 percent overall stop rate for all EHPD officers. This officer

took enforcement action in 9 of those 23 stops, for a 39 percent rate. EHPD reported that this officer is a rookie with less than two years on the job. After a thorough investigation, which included viewing the officer's motor vehicle stops on cruiser and body mounted video cameras, EHPD reported that it does not appear that this officer was purposely targeting Hispanics. Nevertheless, this officer was counseled by his commander, and his immediate supervisor was made aware and instructed to monitor the officer. The JCE will continue to monitor this category in future reports to detect potential pattern of discriminatory policing.

During the reporting period, the EHPD reported that 49 vehicles were searched during stops, but that 34 of those searches were for inventory purpose, as required by EHPD policy (Policies and Procedures # 702), thus officers had no discretion. The remaining 14 searches, EHPD reported, resulted in 9 out of 1,094 (0.82 percent) stops of vehicles searched in which the operator was identified as white non-Hispanic, 3 out of 226 (1.32 percent) stops of vehicles in which the operator was identified as Hispanic, and 2 out of 105 (1.90 percent) stops of vehicles in which the operator was identified as black. EHPD said that contraband was located in 6 of these searches broken down as follows: 3 operators were white non-Hispanic, 2 were white Hispanics and 1 was Black non-Hispanic. Although the rates for vehicle searches of black and Hispanic drivers are higher than the rate for white drivers, the JCE determined that these numbers are too small, and not significant enough to rise to a level that indicates bias by EHPD officers. But, again, the JCE will continue to monitor these numbers.

### **III.) Stops, Searches, and Seizures;**

#### **Stops**

The EHPD reported that:

A review of the stop data collected and analyzed indicates that traffic stops from this reporting period are generally consistent with the racial and ethnic make-up of the driving population in East Haven, CT based on several sources including the USDOJ Civil Rights Division Findings Letter dated December 19, 2011.

The finding letter states that the percentage of Hispanic or Latino drivers in East Haven was 8.3

percent. Data from the 2010 U.S. Census shows East Haven's Hispanic population to be estimated at 10.3 percent. However, on May 12, 2015, U.S. News & World Report published its *Annual Report on the Best Ranked High Schools in America for 2015*. This report details statistics about the student body population at the East Haven High School. Minority enrollment in the East Haven High School is 24 percent of the total student body, of which Hispanic students represent 17 percent of the total student body. While the U.S. Census bureau reflects a Hispanic population of 10.3 percent, these data are from 2010 while the *U.S. News & World Report* data are from 2015 and based directly on student body demographics, which may be a more accurate representation of the Hispanic population in East Haven.

While there is a significant six percent difference in the Hispanic population cited by EHPD above (high school population versus general population), there is a high probability that the general Latino (or Hispanic) population in East Haven today is closer to the 17 percent (2013 high school Hispanic student population) than to 10.3 percent (2010 US Census of Hispanic population in East Haven). The JCE researched and compared the 2010 general Hispanic population versus the 2010 high school Hispanic student population of East Haven and the surrounding towns of Branford and North Haven. The comparison shows that there is a high correlation between the high school Hispanic student population and the general population of Hispanics in these towns. Therefore, the current high school population demographics may be a better way of estimating the Latino population living in East Haven today, compared to federal census numbers collected over five years ago.

For example, according to the US Census, the East Haven Hispanic population in 2010 was 10.3 percent, and the high school Hispanic student population was 10.1 percent. In Branford, the general Hispanic population in 2010 was 6 percent (344 out of 5819), and the high school Hispanic students were 3.7 percent of the total of 1,109; in North Haven, a town of similar size as East Haven, the Hispanic population in 2010 was about 4 percent (929 out of 24,093), versus a high school Hispanic student population of 6 percent (71 out of 1181). As we can see, in these towns, there are some differences in the percentage of Hispanic high school students and the general Hispanic population as reported by the census, but in all cases, the difference is no more than 2.5 percentage points.

Additionally, a comparison of US Census population data for the year 2000 (the most recent US Census data available before or after 2010) for these towns shows a similar pattern. In East Haven, in 2000, the Hispanic population was 1,228 (4.4 percent) of a total of 28,189, and the high school Hispanic students were 62 out of 1060 students, or 6 percent; in Branford, the Hispanic population was 218 (3.8 percent) out of a total of 5,735, versus a Hispanic high school student population of 20 (2 percent) out of a total of 1032; in North Haven, the Hispanic population in 2000 was 1.9 percent, or 433 out of 23035, versus a high school population of 1.3 percent (13 out of 977). Here again, we can see a close correlation between the Hispanic general population and the high school Hispanic student population of these towns. Based on the data above, it is feasible to assume, since the East Haven High school Hispanic student population in 2013 has been pegged at 17 percent, that East Haven's general Hispanic population has grown to somewhere between 14 percent and 17 percent since 2010. Therefore, the report from EHPD that 15.52 percent of all motor vehicle stops were operators of Hispanic ethnicity would generally fall in line with the town's Hispanic population today. The JCE must take the above numbers into consideration, given the fact that the most recent US Census is five years old, and there is no other way to confirm the exact, nor even an estimate of, the Hispanic population in East Haven.

[Data for high school populations obtained from the website [www.schooldigger.com](http://www.schooldigger.com), which uses as a source the U.S. Department of Education's National Center for Education Statistics and US Census data]

### **Search Warrants and Affidavits**

The EHPD submitted to the JCE copies of 12 search warrants and affidavits issued and served by EHPD officers this reporting period. Five of those warrants were seeking a blood test for prosecution of Operating Under the Influence (OUI) cases. Three warrants were issued for the same incident seeking evidence in a murder case. Two warrants were issued for the same incident in a robbery case. One warrant was issued seeking DNA evidence in a burglary case; and one warrant was issued to secure a firearm belonging to a person in protective custody. The JCE reviewed all 12 warrants and affidavits and determined that there was no apparent bias in seeking and serving these search warrants. Although five of the twelve warrants were issued against two African-American subjects (one male, and one female), the warrants sought evidence

in a murder case and in a separate felony robbery case. Also, two of the 12 warrants were issued against two Hispanic males, one in a case of burglary, and one in a case of OUI. Although four of the nine subjects of these search warrants were minority subjects, the seriousness of the three cases mentioned above (murder, robbery and burglary) demanded no less from the EHPD. The JCE believes that all warrants and affidavits obtained in the above cases met standard police practice and seemed to meet constitutional requirements in such serious cases. The remaining five warrants were issued against white subjects for OUI (4) and to secure a firearm (1).

#### **IV.) Use of Force**

The EHPD reports that:

During the period from January 1, 2015 to June 30, 2015, there have been 34 incidents where use of force was involved. Of those 34 incidents, there were 59 total uses of force, which are:

- 19 Physical (hands on)
- 7 Non- Compliant Handcuffing
- 15 Firearm (no discharge)
- 9 Taser (no discharge)
- 9 Pursuits

The EHPD reports that there were “19 arrests in those 34 incidents and 4 emergency committals. From January1, 2015 to June 30, 2015, there were a total of 441 arrests and 169 emergency committals.”

The JCE reviewed all reports of Use of Force by EHPD this period and has found that, in general, EHPD officers have been reporting their Use of Force in a consistent manner, and that the supervisors have been reading and reviewing these reports. However, the JCE has also noted that, in some cases, supervisors have been vague in their reporting of the facts and lacking specificity in some cases when reviewing Use of Force reports. For example in some cases supervisors would report that they interviewed an officer or a witness, but failed to report the result of that interview. In other cases, the supervisors reported that someone acted violently

toward an officer, but did not describe the violent act/s that led to that conclusion. The JCE has notified EHPD of these shortcomings. The JCE believes this can be corrected through a brief refresher/reminder training course or bulletin issued to supervisors.

**V.) Civilian Complaints, Internal Investigations, and Discipline**

From January 1, 2015 to June 30, 2015 the EHPD has received four Civilian Complaints, as follows:

- On February 1, 2015, a Sergeant responded to a scene and received a complaint that an officer was rude and the complainant felt disrespected by him. The complainant did not want to formally file a complaint but just wanted the officer spoken to. The sergeant did speak to the officer and felt that he needed to improve on his de-escalation skills. In the end, the officer did not pass his field training and is no longer with the Department.
- On March 4, 2015, a Civilian Complaint form was given out to a female who was complaining that an officer made inappropriate comments to her. The complaint was never filed but the incident was investigated and the officer was counseled by his supervisor.
- On May 8, 2015, a Lieutenant received a phone call from a store manager who stated that while he was out of the store, the police responded on a complaint of counterfeit money and the officer who responded was “intimidating and awful.” The Lieutenant viewed the body camera footage and found that the officer was respectful and pleasant; he later went to that location to show the manager the body camera footage. The manager apologized for portraying the officer as someone he is not, and gave EHPD kudos for being able to provide such relevant and reliable proof. The officer was exonerated.
- On May 27, 2015, a Civilian Complaint was made by an individual who was sentenced to prison time. The complaint was filed against an officer and a sergeant, stating that the officer unfairly arrested him on false charges and was having an affair with his ex-girlfriend. This complaint was also made to the States Attorney’s Office and found

untrue by that office.

The JCE has reviewed all of the above complaints and noticed they were all allegations of minor violations and determined that they were satisfactorily investigated and that appropriate action was taken when warranted. The one complaint that alleges a serious violation is where the complainant said that he was falsely arrested by an officer, and that this officer is also having an alleged affair with his girlfriend. The EHPD Internal Affairs Officer conducted an investigation and reported that the complainant was unable to provide witnesses or other corroborating evidence. EHPD further found that this complainant was indeed arrested by the officer three times, but that the arrests were the result of two 911 calls to EHPD and one self-initiated incident and all were based on probable cause. Both officers were exonerated by EHPD.

The JCE is encouraged by the actions of EHPD and its commitment to providing fair service to its residents and visitors. The JCE cites the case above, May 27, 2015, and the case from March 4, 2015, where, although no complaint was filed by the complainant, the EHPD went ahead and conducted an investigation into the allegations and determined that the officer needed to be counseled. It shows good faith and is a step in the right direction for EHPD.

#### **VI.) Supervision and Management**

According to the EHPD, the Early Intervention System (EIS) captures the following fields and thresholds:

- Any firearm discharge or use
- Taser deployment or use; two (2) within a 60-day period
- Baton or O/C use; two (2) within a 60-day period
- Non-compliant handcuffing; three (3) within a 30-day period
- Physical use of force; three (3) within a 30-day period
- Pursuits; two (2) within a 30-day period
- Officers arrests, including interfering with police, obstructing a police officer, resisting arrest, and assault on a police officer; two (2) within a 60-day period

- Traffic accidents involving EHPD equipment; three (3) within 12-month period
- Civil lawsuits; two (2) within a 12-month period
- Excessive absences; Eight (8) unscheduled occurrences in any 12-month period

The EIS is monitored by the IAO daily while on duty.

The EHPD further reported to the JCE that from January 1, 2015 to June 30, 2015, the EIS has not been triggered and, therefore, no review of any employee has been necessary.

#### Body Worn Cameras

It is EHPD policy that all officers wear body cameras during their tours of duty. Supervisors review and remind officers to ensure that their cameras are functioning properly. Supervisors also review all vehicle-mounted cameras and report their condition and request repairs when necessary. Officers are trained to activate their assigned body worn camera immediately prior to any encounter with a person when there is a potential for arrest, including pedestrian and traffic stops, any investigative call for service, any call in which they are needed to resolve or prevent a dispute, or any proactive self-initiated call for service in which law enforcement action can reasonably be anticipated.

The JCE has seen how valuable these cameras have been to EHPD management in supervising and monitoring their personnel and equipment. For example, in his review of use of force reports for this period, the JCE read vehicle pursuit reports where the supervisors checked the vehicle-mounted cameras to compare officers' reports with what was captured in the videos and found that the officers' reports were accurate. In a number of cases, supervisors noted that there were some technical issues with the cameras and reported them to management for corrective action.

Also, the JCE reported in his 24-month report to the court that he viewed body-cam videos of an officer shooting a dangerous animal, and, in another situation, a group of officers using proper tactics to take down a subject armed with a machete. By having these body-cam and in-vehicle

camera videos available for inspection, supervisors are better able to supervise and monitor performance by the personnel assigned to their command. In addition, these videos can also serve the EHPD as training tools in the future.

The JCE randomly reviewed arrest reports on three separate site visits during 2015 and found that they appeared to be in proper order. Additionally, the JCE conducted a random review of EHPD's Detainee Questionnaires and found them to be, generally, in compliance, paying particular attention to the following questions:

- Were you taken into custody by force?
- Have you been treated properly while in the custody of the East Haven Police Department?

In the vast majority of instances checked by the JCE, the detainees answered in the negative for the first question; also, the vast majority answered positive for the second question. Supervisors, for the most part, further interviewed those detainees who answered yes to those questions and made notes of their concerns. Most of the concerns that the supervisors reported were minor and were appropriately handled by EHPD.

However, the JCE noted that in some questionnaires, the detainees concerns were not always documented. For example, the instructions on the EHPD Detainee Questionnaire requires that a "Yes" answer to any question be further explained in a space provided for that purpose. In a small number of questionnaires with "Yes" answers, the Supervisor failed to provide an explanation. This was especially obvious when supervisors asked the subjects (Question #2) "Do you take any prescribed medications?" In many cases the answer was "Yes," but the supervisor failed to make note of the medication being taken, whether the subject had the medication with him/her, or whether EHPD would make arrangements to get the medication if necessary. The JCE notified EHPD and recommended that EHPD provide re-training to its personnel to correct this important issue.

**VII.) Community Engagement and Oversight.**

The Following is a statement from EHPD concerning community meetings:

In continuing compliance with items 179, 180, and 182 (pages 42 and 43 of the Settlement Agreement), with the modification of the SA in December 2014, I [Lt. Emerman] will be having quarterly community meetings. The meetings will continue to be advertised in various print and online media outlets. Previous meetings have attracted residents with a great variety of questions, suggestions, and interest in learning how officers carry out their duties and how it will affect members of the community. The meetings will continue to rotate between the north and south side of town in compliance with the modified SA.

The JCE has found that EHPD has continued to make strides in the East Haven Hispanic community. Hispanics in East Haven have expressed their sentiments to the press during interviews conducted the past six months. For example, the *New Haven Register* newspaper, in an article published in February 2015, titled "Latinos in East Haven Applaud Police Efforts to Heal Community" by Esteban L. Hernandez, reported the following interviews with Hispanics in East Haven:

"Things have changed," said Chacon, speaking in Spanish. "They have returned to normal." The change Chacon is referring to is the relationship between Latinos in East Haven and members of the town's police force.

Annely Ardon, who's been working six years at Alex Grocery, agrees Latinos and police officers have turned a corner after a very difficult period. Speaking in Spanish, Ardon says at least three East Haven police officers speak Spanish fluently and more importantly, the Spanish-speaking officers have told them they're there to help. "The police are good people now. They're excellent." Ardon said.

Vicky Friere, a co-worker of Ardon's, shared her sentiment. She said officers stop by

weekly to check in and greet them.

In another article reporting on the visit in July 2015 to East Haven by the newly appointed US Attorney Loretta Lynch, reporter Hernandez wrote, “While the forum in East Haven was closed to the press, Lynch addressed the media briefly before the forum and afterward during a press conference inside the school’s media center. Lynch said Latino community members who participated in the forum spoke positively of changes they see between officers and the community. “They particularly spoke of respectful interactions,” Lynch said. “If the people who really felt victimized don’t see a difference, then we would not view it as a success.”

In another interview about her East Haven visit, US Attorney Lynch added that, “... there has been an enormous, positive, transformative progress here in East Haven.”

The EHPD has also held several community meetings throughout the last six months of 2015. Lt. Emerman reported that he has met with representatives of the Latino community on the following dates:

- Lt. Emerman met with the owners of a Hispanic convenience store on January 13, 2015, January 30, 2015, April 9, 2015, May 5, 2015 and June 25, 2015; He met with the owners of a Hispanic Restaurant on February 25, 2015 and with the Associate Editor of *La Voz Hispana de CT* newspaper on April 13, 2015.
- Lt. Emerman also spoke with a Hispanic leader/activist on January 2, 2015, January 7, 2015, January 10, 2015, February 2, 2015, February 4, 2015, March 12, 2015, May 28, 2015, and met with the activist again on July 3, 2015 as well.

Lt. Emerman reported that the last monthly community meeting was held January 28, 2015 at the Foxon Volunteer Firehouse, located at 1420 North High Street. Approximately ten people attended. No names were taken as the attendees can remain anonymous per paragraph 182 of the Settlement Agreement. The topics that were covered included: traffic enforcement, officer training, and upcoming projects of the police department.

Also, a quarterly meeting was held on April 19, 2015 at Twin Pines Diner, 34 Main Street. This

was combined with an annual business owners meeting and had approximately 20 attendees.

Additionally, EHPD held a Citizens Police Academy for 10 weeks. Fifteen participants graduated on April 13, 2015. The JCE attended the inaugural class of this program and introduced himself to the group. The JCE is familiar with Citizens Police Academy programs, and has found that they are very popular and usually well attended by community residents. These programs tend to bring the police and the community closer together.

Lt. Emerman reported that he has not heard of any complaints from the representatives of the community. Contacts with the police have been positive and appropriate when enforcement action was taken. Additionally, Lt. Emerman has heard comments that many Latinos who had moved out of East Haven in previous years have begun to return to East Haven in recent times, further indicating a positive relationship with the Department.

In addition, the JCE has met with several Hispanic community leaders and business owners during the first six months of 2015. They have all made positive statements about their relationship with EHPD and its officers. For example:

- The JCE met with the owner's son and a clerk at a Latino owned store located on Main Street in East Haven. Both said things were going very well with the EHPD, and they have had no issues, nor have they heard of any problems with EHPD officers. They were happy to report that officers stop by the store regularly to talk with them and inquire how everything is going.
- At an East Haven Latino grocery store, the owner told the JCE that she has had no complaints against EHPD, that the police have been responsive to her, and that she has heard of no complaints, or any other issues with the police from customers or other storeowners.
- The JCE spoke to a white male who was the owner and behind the counter at the Polo Palo Gelato (Italian Ice Cream) store on Main St. He told the JCE that he and his

girlfriend (co-owner), who is Latina, have a good relationship with the EHPD and is not aware of any issues.

Community members that the JCE has met with highlight, and continue to praise, the excellent work and relationship building of EHPD Lieutenant David Emerman, the Department's Liaison to the community. Lt. Emerman reported to the JCE that the Department has assigned a Spanish-speaking officer to begin training as a back-up to Lt. Emerman and future successor as the EHPD Liaison to the community.

The EHPD has opened two police substations to better serve the community. The JCE visited both EHPD's substations on June 16, 2015. The newest substation on Messina Drive was opened in March 2015. The town's beach substation has been operating for many years. During the JCE's visit to the EHPD substation located at the town's public beach, no officer was present as it is not staffed 24/7. The JCE did, however, speak to the Beach Supervisor, who stated that he is encouraged to see the EHPD come back to the beach, and is happy to have the substation there. Although the substation is not fully staffed 24/7, the Supervisor said police presence is much needed at the beach, especially on weekends and at night. The JCE then visited the EHPD substation located at 65 Messina Drive. There was no officer present and the office was closed, however, the JCE spoke to a resident of the senior complex, who said that an EHPD officer comes in and out of the office throughout the day every day. She said the residents are happy to have the police presence in the building, which makes them feel safer.

**Section II. Compliance Progress Chart for Modified Settlement Agreement  
Paragraphs 10 through 233, approved on December 19, 2014  
CIVIL NO. 3:12-CV-1652 (AWT)**

**KEY:**

**Partial Compliance** – The Town of East Haven has taken verified and meaningful steps to implement the requirement, including incorporating the requirement in policy, commencing sufficient training to relevant staff on the requirement, and/or carrying out the requirement in actual practice.

**Substantial Compliance** – The Town of East Haven has implemented the requirement in policy, training, and actual practice to a level and degree that satisfies the material elements and objectives of the requirement, based on the JCE’s qualitative and quantitative assessments.

**Full Compliance** – The Town of East Haven has achieved substantial compliance with the requirement and sustained such compliance for two years. (Please note one exception. There are a few paragraphs where a one-time requirement has been met and no longer requires active monitoring. These paragraphs are now marked as having achieved full compliance.)

**Non-Compliance** – The Town of East Haven has made little or no progress to implement the requirement or has otherwise failed to take meaningful and verifiable steps to achieve compliance.

**Deferred** - Requirements were not reviewed, audited, or assessed during the relevant rating period.

The Joint Compliance Expert (JCE) is using the compliance ratings defined above. The JCE is relying on the following four criteria to assess East Haven’s progress on implementing each paragraph of the Settlement Agreement. These criteria are based on requirements included in paragraph 198 of the Settlement Agreement.

1. Policy: Is there a policy in place relevant to the paragraph requirement?
2. Training: Have all required East Haven Police Department staff been trained on this paragraph?
3. Practice: Is the East Haven Police Department performing the requirement of the paragraph?
4. Verification: Have the requirements of the paragraph been audited, reviewed and verified by the JCE?

When all four criteria are met, the paragraph will be rated as “substantial compliance.” After substantial compliance has been sustained for a two-year period, the JCE will mark the paragraph in “full compliance.”

To achieve these outcomes, EHPD shall implement the requirements below. (Overview Paragraph)

**A. Bias- Free Policing**

33. EHPD shall provide all officers with 4 hours of comprehensive and interdisciplinary training on bias-free policing within 180 days of the Effective Date, and 2 – 4 hours annually thereafter, based on developments in Connecticut or federal law and EHPD policy. Such training shall emphasize that discriminatory policing, in the form of either selective enforcement or non-enforcement of the law, including the selecting or rejecting of particular policing tactics or strategies, is prohibited by policy and will subject officers to discipline. This training shall address: <ul style="list-style-type: none"> <li>a) methods and strategies for more effective policing that relies upon non-discriminatory factors;</li> <li>b) police and community perspectives related to discriminatory policing;</li> <li>c) constitutional and other legal requirements related to equal protection and unlawful discrimination, including the requirements of this Agreement;</li> <li>d) the protection of civil rights as a central part of the police mission and as essential to effective policing;</li> <li>e) the existence and impact of arbitrary classifications, stereotyping, and implicit bias;</li> <li>f) instruction in the data collection protocols required by this Agreement;</li> <li>g) identification of key decision points where prohibited discrimination can take effect at both the incident and strategic-planning levels; and</li> <li>h) methods, strategies, and techniques to reduce misunderstanding, conflict, and complaints due to perceived bias or discrimination, including problem-oriented policing strategies.</li> </ul>

### B. Ensuring Bias-Free Policing

<p>34. EHPD shall, consistent with this Agreement, develop a comprehensive policy prohibiting discrimination on the basis of demographic category in EHPD police practices. This policy shall have the following elements:</p> <p>a) EHPD's policy on bias-free policing shall prohibit officers from using demographic category (to any extent or degree) in conducting stops or detentions, or activities following stops or detentions, except when engaging in appropriate suspect-specific activity to identify a particular person or persons.</p> <p>b) EHPD shall prohibit officer use of proxies for demographic category, including language ability, geographic location, or manner of dress.</p> <p>c) When officers are seeking one or more specific persons who have been identified or described by their demographic category, or any proxy thereto, officers may rely on these descriptions only when combined with other appropriate identifying factors, and may not give exclusive attention or undue weight to demographic category.</p> <p>d) Data collection, as set forth in Paragraphs 64(c) and 65 of this Agreement.</p>	
Compliance Rating	Substantial Compliance
Discussion	This is the bias-free policing policy # 203.2, which has had one revision. Bias-Free policing training occurred in 2013 and 2014 as noted in paragraph 33 prior to the policy being completely approved and implemented. Also, in-service training on Bias-Free policing has been conducted at EHPD Headquarter during 2015 and the JCE audited some of these classes in June 2015.
Recommendations	None
Evidentiary Basis	Policy 203.2 in the EHPD Policies and Procedures Manual. Additional review of training on this policy was included in the policies and procedures manual training in 2014.
SITE VISIT	<u>Questions/Next Steps</u> The JCE continues to use a checklist of items to review at quarterly on-site meetings as well as through ongoing telephonic and email communication. These items include, but are not limited to: EIS, Technology Review, Supervisor Reports, Random Audit or Review of ECW's (Tasers), Citizen Complaints, Use of Force Reports, Arrest Reports, Stop Data from State,

	Body Cameras, Audit/Review, Search Warrant Applications, Community and Language Line Data and Detainee Reports. Information and data for “Ensuring Bias-Free Policing” will be gathered and analyzed from the checklist materials. The JCE will ensure that the bias-free policy #203.2 is kept up to date by EHPD.
--	---

35. EHPD shall conduct quarterly analysis, as well as analysis on a cumulative basis, consistent with the methodology employed by the JCE, of its traffic enforcement activities to ensure officer, squad, and Department compliance with the bias-free policy.	
Compliance Rating	Substantial Compliance
Discussion	This requirement was first completed at the 180-mark. Some quarterly reports were delayed due to a since-fixed software problem with a new CAD-based program that automatically tracks and analyzes these data.
Recommendations	JCE will continue to work with EHPD to obtain quarterly reports in a timely manner. EHPD obtained additional software to help with demographic and geographic analysis. However, due to the small size of the town, the demographics data was not significant, and only geographic data was obtained. Analysis of geographic stop data conducted by EHPD this reporting period shows that the vast majority of stops occurred within the major roads in East Haven, regardless of who was stopped or the reason.
Evidentiary Basis	First report submitted at the 180-mark. Second report submitted on January 13, 2014. Third report submitted April 7, 2014. Stop data reviewed in June 2014 Fourth report submitted July 1, 2014. The fifth report was submitted by EHPD on January 23, 2015. The sixth report was submitted on July 8, 2015. A review of the stop data collected and analyzed indicates that traffic stops from this reporting period are generally consistent with the racial and ethnic make-up of the population in East Haven. The JCE conducted an analysis of the stop data for Hispanics and concluded that stops by EHPD do not show bias towards Hispanics. Please see further details of this analysis in the section for <b>Stops, Searches, and Seizures</b> above.
SITE VISIT	<u>Questions/Next Steps</u> Need to continue getting more detail about data set to ensure that traffic enforcement sanctions are appropriate.

36. EHPD shall develop a formalized procedure for officers to notify arrested foreign nationals of their right to contact their consulate, or to contact the appropriate consular official directly.	
Compliance Rating	Substantial Compliance
Discussion	Training on this new policy was completed in January and February 2014.
Recommendations	None
Evidentiary Basis	Policy 304.2 Roster.
SITE VISIT	<u>Questions/Next Steps</u>

	The JCE continues to ask if any foreign nationals have been arrested since previous site visit. No instances have occurred during the first 30 months of the Settlement Agreement.

37. EHPD shall refer any complaint plausibly implicating the bias-free policy to the IAO and to the JCE. EHPD shall treat any violation of the bias-free policy as a serious violation. Officers who engage in discriminatory policing will be subjected to discipline, and, where appropriate, possible criminal prosecution.	
Compliance Rating	Substantial Compliance
Discussion	There were no complaints plausibly implicating the bias-free policy during the first six months of 2015.
Recommendations	Continue to keep the JCE and USDOJ apprised of any complaints or violations in a timely manner.
Evidentiary Basis	Chief's immediate notification to JCE and DOJ. Regular and ongoing case briefings. Comprehensive internal affairs investigation and report.
SITE VISIT	The JCE will continue to review IAO files.

38. Within 180 days of the Effective Date, EHPD shall incorporate concrete requirements regarding bias-free policing and equal protection into its hiring, promotion, and performance assessment processes, including giving significant weight to an individual's documented history of bias-free policing, as well as using interviews and other methods to assess the individual's ability and willingness to effectively practice bias-free policing. EHPD's hiring plan shall also include steps to encourage qualified minority and other candidates who have a demonstrated ability to serve diverse communities to apply for positions in EHPD.	
Compliance Rating	Substantial Compliance
Discussion	This requirement was completed by the 180-day mark.
Recommendations	The JCE will continue to work with EHPD to review current hiring, promotion and performance processes.
Evidentiary Basis	Reviewed civil service testing process and outcomes. One of the new recruits speaks Spanish.

**C. Language Assistance**

39. EHPD shall ensure effective communication with and provide timely and meaningful access to police services to all members of the community, regardless of their national origin or limited ability to speak, read, write, or understand English. To achieve this outcome, EHPD shall:

- a) develop and implement a comprehensive language assistance plan and policy that complies, at a minimum, with Title VI of the Civil Rights Act of 1964, as amended, (42 U.S.C. § 2000d et seq.) and other applicable law, and comports with professional policing practices;
- b) ensure that all EHPD personnel take reasonable steps to provide timely, meaningful language assistance services to LEP individuals they encounter and whenever an LEP individual requests language assistance services;

- g) develop protocols for interpretation for interrogations and interviews of LEP individuals, including requiring and ensuring the use of a qualified interpreter for the taking of any formal statement that could adversely affect a suspect or witness’ legal rights;
- h) develop and implement a process for taking, responding to and tracking civilian complaints and resolutions of complaints filed by LEP individuals;
- i) implement a process for recruitment of qualified bilingual personnel to meet demonstrated service needs. As part of this process, EHPD shall establish significant and sustained relationships with local and state-wide institutions and community organizations that can serve as the source of qualified bilingual applicants and facilitate outreach to such advocates; and
- j) implement effective incentives for bilingual employees to become EHPDAIs, such as pay differentials and consideration in performance evaluations, assignments, and promotions.

Compliance Rating	Substantial Compliance
Discussion	This requirement was completed by the 180-day mark and EHPD remains in compliance through the 30-month mark. The plan is described in detail in Policy and Procedure 301.2 which is a thorough and complete document mandating: 1) the appointment of the Language Assistance Coordinator, 2) procedures for notifying the public about the EHPD’s language services, 3) hiring goals for bilingual staff at the EHPD, and 4) the qualifications for members of the Department authorized to act as EHPD interpreters (EHPDAI). It also establishes protocols for hiring contract interpreters to

	provide interpretation and translation service as necessary, currently through Language Line Solutions, but also from other vendors should Language Line Solutions be no longer available. The policy prescribes one hour of training for all EHPD personnel in how to assist LEP individuals in conducting their business with the Department. Procedures for conducting interrogations and interviews of LEP individuals, as well as taking complaints against the Department from, and reporting dispositions of complaint investigations to, LEP individuals are also established by the policy. Language Assistance Coordinator, Lt. David Emerman, is a fluent Spanish speaker, who also serves as the Community Liaison Officer, required by Agreement Paragraph 181.
Recommendations	JCE will continue to monitor bilingual staff hiring and processes and procedures for assisting LEP individual conducting business with the EHPD.
Evidentiary Basis	Language Assistance Plan. Hiring Language Assistance Coordinator. Policy 301.2 Interviews with Lt. Emerman. Lt. Emerman 30-month Report: For first six months of 2015 The Language Line received 9 calls of which 5 requested assistance for Spanish, 3 (Same caller/incident) were for Turkish interpretation services and 1 was for Nepali. CAD/RMS Calls EHPD received 21 requests for language assistance from January 1, 2015 through June 30, 2015, of which 18 calls were for Spanish.
SITE VISIT	<u>Questions/Next Steps</u> The JCE will continue meeting/communicating with EHPD Language Access Coordinator/Community Liaison Officer Lt. EHPD shall distribute the language assistance plan and policy to a variety of community organizations serving LEP communities encountered by EHPD.	
Compliance Rating	Substantial Compliance
Discussion	This requirement was completed by the 180-day mark.
Recommendations	Continue to provide the JCE with a list of community organizations who have received the plan.
Evidentiary Basis	Language Assistance Plan. Policy 301.2 Language Assistance Plan and policy has been translated into Spanish and is available at the Hagaman Library, Town Hall and at EHPD.
SITE VISIT	<u>Questions/Next Steps</u> Continue to ensure this and other needed police materials are available, at a minimum in Spanish, as Spanish is the primary second language utilized by citizens of East Haven.

41. EHPD shall distribute its LEP plan and policy to all staff and police personnel, and, within 180 days of the Effective Date provide a minimum of one hour of training to all personnel on providing language assistance services to LEP individuals. This training shall include:

#### **D. Stop and Search Data Collection and Review**

64. EHPD shall, consistent with this Agreement, develop a comprehensive policy on stops, searches and seizures. This policy shall have the following elements: <ul style="list-style-type: none"> <li>a) A requirement that prior to making traffic stops, officers notify dispatch about known information, including the number of occupants of the vehicle, the perceived race or ethnicity of the occupants, and a description of the basis for the stop;</li> <li>b) A detailed description of the justification necessary for officers to make stops and arrests;</li> </ul>

<p>65. Within 270 days of the Effective Date, EHPD shall develop a system to collect data on all investigatory stops and searches, whether or not they result in an arrest or issuance of a citation. This system shall allow for analysis and searches and also shall be integrated into the EIS. EHPD’s stop and search data collection system shall be subject to the review of the Joint Compliance Expert and DOJ, and shall require officers to document all required information</p>	
Compliance Rating	Substantial Compliance
Discussion	The JCE reviewed stop and search data collected/analyzed in the EHPD computer system within the 270 day mark and through the 30-month reporting period. The State of Connecticut categorization glitches were corrected just after the 365-day mark. However, obtaining more detail on Hispanic drivers has proved challenging. EHPD has provided additional helpful information to track geographic data, but not demographic data due to

	the small size of the town. Analysis of stops data revealed one EHPD officer who may have stopped Hispanics at a disproportionate rate. EHPD's investigation of this officer, which included reviewing videotaped stops, revealed no bias by this rookie officer in conducting the stops. The JCE and the EHPD will continue to collaborate and monitor.
Recommendations	The JCE will continue to work with the Parties on carefully reviewing this paragraph's requirements and perhaps developing new methodologies to collect additional detailed data for this broad categorization of Hispanic drivers. The EHPD has obtained new software for collecting additional geographic and demographic information about investigatory stops and searches. However, there is no significant demographic data available due to the small size of the town.
Evidentiary Basis	The on-site database and EHPD reports were reviewed. Random incidents involving Hispanic drivers were reviewed
SITE VISIT	<u>Questions/Next Steps:</u> Continue to drill down into the stop data and incident reports.

66. Officers shall submit documentation of investigatory stops and detentions, and any searches resulting from or proximate to the stop or detention, including a complete and accurate inventory of all property or evidence seized, to their supervisors by the end of the shift in which the police action occurred. Absent exceptional circumstances, within 12 hours of receiving a report on an investigatory stop and detention or search, a supervisor shall review the report and shall document: (a) those investigatory stops and detentions that appear unsupported by reasonable suspicion, (b) those searches that appear to be without legal justification; (c) stops or searches in violation of EHPD policy or this Agreement, or (d) stops or searches that indicate a need for corrective action or review of agency policy, strategy, tactics, or training.

Discussion	<p>In compliance with this paragraph, Chief Brent Larrabee, Attorney Larry Sgrignari, and Lt. Lennon attended the February 20, 2013 meeting of the East Haven Civil Service Commission. After consulting with the Commission members along with Chief Examiner Andrea Liquori, the Commission requested the submission of various recommended changes to their rules by their next meeting in order to comply with the Settlement Agreement. These changes support the Department’s goals of moving towards a highly competent professional law enforcement agency. On March 11, 2013, the Civil Service Commission implemented the rule changes for the recruitment and hiring of both sworn and non-sworn EHPD employees. These changes include a tiered point system to encourage the recruiting of a more professional and well suited applicant. Although the hiring provisions utilized to hire police officers is regulated by the Connecticut General Statutes § 7-294 and the regulations of the CT POST Council, the encouragement for recruitment of a diverse applicant pool is driven by exceptional recruiting. The tiered point system grants additional testing points to applicants that provide proof of higher education, veteran’s points for military service, or the ability to fluently speak languages other than English. In addition, the Civil Service Commission has adopted a recruitment plan. Pursuant to the plan, the EHPD actively advertises upcoming recruiting using various media sources. All advertisements are in both English and Spanish. Some of the locations for advertisement are:</p> <ul style="list-style-type: none"> <li>• All local newspapers (both English and Spanish)</li> <li>• Postings on EHPD and Town website</li> <li>• Multiple and frequent announcements on the EHPD’s Facebook© and Twitter© pages</li> <li>• Online media advertisements on local news sources such as the East Haven</li> </ul>

*(The EHPD reported the following to the JCE: Certain violations require the investigating officer to take enforcement action to remove the vehicle and/or operator from the roadway, such as operating under suspension, operating without a license, operating under the influence, misuse or possession of stolen marker plate, operating without insurance, and/or active arrest warrants for the operator. In total, 190 stops, during this six-month time period through June 2015, had one of these situations in which the officer did not have discretion and was required to take some type of enforcement action. A further analysis indicates that 35 of those searches were in fact motor vehicle inventories, which are governed by EHPD Policies and Procedures # 702. The remaining 14 searches resulted in 9 (0.82 percent) vehicles searched in which the operator was identified as white non-Hispanic, 3 (1.32 percent) vehicles in which the operator was identified as Hispanic, and 2 (1.90 percent) vehicles in which the operator was identified as black. *Of those 34 incidents, there were 59 total uses of force (this includes multiple reports for the same incident, ie: if two officers pulled their weapons out during the same incident, this would count as two separate uses of force). The Joint Compliance Expert and his/her team shall be individuals of the highest ethics.

217. #### **N. Court Jurisdiction, Modification of the Agreement, and Enforcement**

222. This Agreement shall become effective upon entry by the Court.

223. The Parties agree jointly to file this Agreement with the United States District Court for the District of Connecticut. The joint motion shall request that the Court enter the Agreement pursuant to Federal Rule of Civil Procedure 41(a)(2), conditionally dismiss the complaint in this action, and retain jurisdiction to enforce the Agreement. Should the United States determine that the Town has failed to comply with the Agreement, the case will be reinstated for the purposes of enforcing the Agreement only. The Town may not challenge liability or the necessity for Agreement terms.

224. To ensure that the requirements of this Agreement are properly and timely implemented, the Court shall retain jurisdiction of this action for enforcement purposes until such time as the Town has achieved full and effective compliance with this Agreement and maintained such compliance for no less than two years. If the Town believes it has reached full compliance and moves the Court to terminate this Agreement, the Town shall bear the burden of demonstrating full and effective compliance with this Agreement.

225. The United States acknowledges the good faith of the Town in trying to address the remedial measures that are needed to promote police integrity and ensure constitutional policing in East Haven. The United States, however, reserves its right to seek enforcement of the provisions of this Agreement if it determines that the Town has failed to fully comply with any provision of this Agreement. Prior to initiating any enforcement proceedings in Court for an alleged failure to comply with any provision of this Agreement, the United States will notify the Town in writing of

the facts supporting its belief that the Town is not in compliance. The Town will investigate the allegations and respond in writing within 30 days. If the dispute remains unresolved, the Parties will conduct negotiations to resolve the issue(s). If the Parties are unable to resolve the issue(s) satisfactorily within 30 days of the Town's written response, the United States may move the Court for any relief permitted by law or equity and demonstrate that the relief is necessary to implement this Agreement.

226. Failure by any Party to enforce this entire Agreement or any provision thereof with respect to any deadline or any other provision herein shall not be construed as a waiver, including of its right to enforce other deadlines and provisions of this Agreement.

227. Any modification of this Agreement shall be executed in writing by the Parties, shall be filed with the Court, and shall not be effective until the Court enters the modified agreement and retains jurisdiction to enforce it.

228. Nothing in this Agreement shall be construed as an acknowledgement, an admission, or evidence of liability of the Town under the Constitution of the United States, federal or state law, and this Agreement may not be used as evidence of liability in this or any other civil or criminal proceeding.

In the event any provision of this Agreement is challenged in any Connecticut court, removal to a federal court shall be sought by the Parties.

231. The Town shall require compliance with this Agreement by its respective officers, employees, agencies, assigns, or successors.

#### **O. Termination of the Agreement**

232. The Parties anticipate that the Town will have reached full and effective compliance with this Agreement within four years of its Effective Date. The Parties may agree to jointly ask the Court to terminate this Agreement prior to or after this date, provided that the Town has been in full and effective compliance with this Agreement for two consecutive years. "Full and Effective Compliance" shall be defined to require both sustained compliance with all material requirements of this Agreement and sustained and continuing improvement in constitutional policing and public trust, as demonstrated pursuant to the Agreement's outcome measures.

233. If after four years from the Effective Date the Parties disagree whether the Town has been in full and effective compliance for two years, either Party may seek to terminate this Agreement. In the case of termination sought by the Town, prior to filing a motion to terminate, the Town agrees to notify DOJ in writing when the Town has determined that it is in full and effective compliance with this Agreement and that such compliance has been maintained for no less than two years. Thereafter, the Parties shall promptly confer as to the status of compliance. If, after a reasonable period of consultation and the completion of any audit or evaluation that DOJ and/or the Joint Compliance Expert may wish to undertake, including on-site observations, document review, or interviews with the Town's personnel, the Parties cannot resolve any compliance issues, the Town may file a motion to terminate this Agreement. If the Town moves for termination of this Agreement, DOJ will have 60 days after the receipt of the Town's motion to object to the motion. If DOJ does not object, the Court may grant the Town's motion. If DOJ does make an objection, the Court shall hold a hearing on the motion and the burden shall be on the Town to demonstrate that they are in full and effective compliance with this Agreement and have maintained such compliance for at least two consecutive years.
