10/30/2015	66	ORDER: It is my understanding that the parties have reached a tentative settlement in this matter which includes certification of what is currently a putative class. Given the nature of the plaintiffs and the nature of the allegations, this action appears to present unusual issues concerning the method by which notice will be provided to class members and the method by which objections and opt-out notices will be received. Among other things, it is not clear to me to whom notice should be provided nor is it clear how objections should be received. Presumably, objections and opt-out notices must be submitted in a manner that preserves the anonymity of infant class members. Counsel are directed to confer concerning these issues (and any other related issues) and to submit a joint letter to me concerning these matters no later than November 16, 2015. If the parties are unable to agree on a joint proposal, the joint letter should contain each side's proposal. (Signed by Magistrate Judge Henry B. Pitman on 10/30/2015) (kgo) (Entered: 10/30/2015)

06/09/2016	175	ORDER granting in part and denying in part 171 Letter Motion for Extension of Time. The City defendants' application for an extension of time to respond to plaintiffs' first request for the production of documents and first set of interrogatories is granted in part and denied in part. I appreciate that there are multiple deadlines coming up in this matter, but I also appreciate that the Law Department is fortunate to have a large number of talented attorneys. According to its web site, the Law Department has approximately 730 attorneys and 690 "support professionals" -- far more professional and paraprofessional personnel than most metropolitan law firms. The City defendants' current application does not disclose how many attorneys it currently has assigned to this matter or nor does it explain why it is unable to assign more attorneys to work on this matter. I conclude that the proposed schedule set forth in plaintiffs' June 8 letter is generally reasonable and adopt it with a slight, 7-day adjustment. The City defendants are to respond to the discovery requests to which they are asserting only general objections no later than July 1, 2016 (a 22-day extension). For those discovery request for which the City defendants do not have general objections, the City defendants are to respond no later than July 21, 2016; to the extent that the City defendants are producing documents in response to plaintiffs' discovery requests, the documents are also to be produced by July 21, 2016. (Signed by Magistrate Judge Henry B. Pitman on 6/9/2016) (lmb) (Entered: 06/09/2016)

08/16/2016	262	LETTER RESPONSE in Opposition to Motion addressed to Judge Laura Taylor Swain from Julie A. North dated August 16, 2016 re: 261 LETTER MOTION for Extension of Time <i>or, in the alternative, stay of discovery</i> addressed to Magistrate Judge Henry B. Pitman from Jonathan Pines dated August 16, 2016., 260 LETTER MOTION to Stay re: 253 Order,, 259 Memorandum & Opinion, Set Hearings,,,,,,,,, <i>City Defs' Letter Motion for Stay of Discovery</i> addressed to Judge Laura Taylor Swain from Jonathan Pines dated August 15, 2016. . (North, Julie) (Entered: 08/16/2016)
08/16/2016	264	ORDER denying 260 Letter Motion to Stay. The City Defendants' application to stay discovery is denied. Judge Swain's comments concerning the adequacy of plaintiffs' counsel's investigation of the particular circumstances of the named plaintiff children and counsel's assessment of the named plaintiff children's claims were all made in the context of the motion to approve the settlement with the State Defendants and, in particular, were addressing the issue of whether the settlement was reached after meaningful discovery. Judge Swain was not asked to address whether "the claims, defenses, and other legal contentions [in the amended complaint were] warranted by existing law or by a nonfrivolous argument for extending, modifying, or reversing existing law" or whether "the factual contentions [in the amended complaint] have evidentiary support or.. will likely have evidentiary support after a reasonable opportunity for further investigation or discovery...." Fed.R.Civ. P. 11 (b) (2), (3). In short, Judge Swain was not assessing whether there was a violation of the Rule 11(b)'s implied certifications, and the City Defendants' attempt to contort her words into a finding of a Rule 11 violation divorces the words from the context in which they were made. Whether counsel's discovery and investigation is sufficient to justify approval of a class action settlement is a different, more demanding inquiry than whether counsel's pre-suit investigation satisfied Rule 11. It

		<p>is also noteworthy that the City Defendants, who have substantial knowledge of the named plaintiff children's circumstances and the allegations made in the amended complaint, have never even suggested that the amended complaint was so baseless that Rule 11 sanctions were warranted. The fact that the City Defendants never commenced the procedures set forth in Rule 11(c) that must precede a motion for Rule 11 sanctions casts doubt on the veracity of their newly asserted arguments. I appreciate that the City Defendants deny plaintiffs' material allegations. Nevertheless, in the absence of a showing that the allegations in the amended complaint were asserted in bad faith and were utterly baseless in law and fact, there is no basis for the stay of discovery sought by the City Defendants. The annexed application is, therefore, denied. (Signed by Magistrate Judge Henry B. Pitman on 8/16/2016) Copies Sent By Chambers. (lmb) (Entered: 08/17/2016)</p>

07/21/2017	386	ORDER: It is hereby ORDERED that: 1. Plaintiffs are permitted to take up to 30 depositions. This order is without prejudice to an application from plaintiffs to take additional depositions or to an application from a defendant for a protective order with respect to a particular deposition or depositions. 2. Provided that plaintiffs include proposed search terms in their document requests, the parties shall meet and confer concerning search terms within 30 days of the date on which a document request is served. 3. In an effort to ensure the prompt resolution of any discovery disputes that may arise in this matter, monthly discovery conferences will be held commencing on August 10, 2017 and at four-week intervals thereafter, i.e. September 7, 2017, October 5, 2017, November 2, 2017, etc. The conferences will commence at 3:00 p.m. Any party wishing to

		raise an issue at the conference is directed to file a letter describing the issue on the ECF system by 5:00 p.m. on the Monday preceding the conference; such letters shall be limited to a maximum of 1500 words in length and shall include a representation that counsel has had a viva voce conversation -- not merely an exchange of correspondence, emails or faxes -- with the adverse party in a good faith attempt to resolve the dispute without my intervention. Opposition letters shall not be submitted. If no letters are filed prior to the date of a scheduled conference, I shall assume that no discovery issues currently exist and that there is no need for a conference at that time. This Order does not preclude any party from seeking discovery conferences in addition to the regularly scheduled Thursday conferences. (Signed by Magistrate Judge Henry B. 09/11/2019	452	ORDER: The Court hereby grants the agencies a third and final opportunity to offer more than conclusory statements demonstrating the need for continued sealing. The third-party agencies must file no later than September 20, 2019, a submission (1) explaining the specific deposition testimony they seek to file under seal, (2) demonstrating why that testimony will "cause embarrassment and harm," "damage [the agencies'] relationship with ACS," or "damage the trust and security the families have in their foster services," and (3) describing how continued sealing or redaction is necessary to preserve higher values beyond the third-party agencies' mere desire not to disclose this information to the public. To the extent that the agencies contend that the supplemental explanatory material includes material that itself meets the high standard for sealing or protection, the statement may be filed on ECF in redacted form with the unredacted version delivered for chambers and served on

		Named Plaintiff Children. The Court will review and rule on whether that material may remain sealed in conjunction with its ruling on whether the deposition excerpts that are the subject of the Named Plaintiff Childrens application may remain sealed. 03/16/2020	475	SCHEDULING ORDER: It is hereby ORDERED, pursuant to Fed. R. Civ. P. 30(b)(3) and (b)(4), that all depositions in this action may be taken via telephone, videoconference, or other remote means, and may be recorded by any reliable audio or audiovisual means. This order does not dispense with the requirements set forth in Fed. R. Civ. P. 30(b)(5), including the requirement that ("[u]nless the parties stipulate otherwise") the deposition be "conducted before an officer appointed or designated under Rule 28," and that the deponent be placed under oath by that officer. For avoidance of doubt, however, a deposition will be deemed to have been conducted "before" an officer so long as that officer attends the deposition via the same remote means (e.g., telephone conference call

		<p>or video conference) used to connect all other remote participants, and so long as all participants (including the officer) can clearly hear and be heard by all other participants. It is further ORDERED, pursuant to Fed. R. Civ. P. 16(b)(4), that all unexpired deadlines for the completion of fact depositions, fact discovery, expert depositions, expert discovery, and/or all discovery are hereby EXTENDED for a period of 30 days, together with all post-discovery deadlines previously set by this Court. Nothing in this Order prevents the parties from seeking to further modify the pretrial schedule in this action in light of the COVID-19 pandemic (or for any other good cause). Prior to seeking such relief, the parties must, as always, meet and confer (via remote means) in a good faith effort to reach agreement on how best to fulfil the goals of Rule 1 while avoiding unnecessary health risks. On receipt of this order, each party is directed to ensure that all other parties in this action are aware of the order, particularly if this action involves a pro se party. SO ORDERED.
