JOINT MOTION FOR CONTINUANCE

Plaintiffs and defendants jointly move this Court for an order continuing the trial of this action until defendants have completed the previously commenced repair and renovation of the ten (10) residential cottages in the activity building of the Hudspeth Center, or until July 1, 1978, which ever is earlier.

The plaintiffs have agreed to join the defendants in this motion in consideration of the defendants' representation that they have undertaken or plan to undertake those actions stated in Part II of the Memorandum of Understanding attached to this motion. The parties believe that completion of the plans mentioned in the Memorandum may moot or substantially narrow the issues in this cause, and a continuance would be in the best interest of the parties and will secure the just and inexpensive disposition of this action.

THIS the 17th day of February, 1977.

Respectfully submitted,

A. F. SUMMER, ATTORNEY GENERAL  
STATE OF MISSISSIPPI
