EXECUTIVE ORDER

- - - - -

PROTECTING THE NATION FROM FOREIGN TERRORIST
ENTRY INTO THE UNITED STATES

By the authority vested in me as President by the Constitution and laws of the United States of America, including the Immigration and Nationality Act (INA), 8 U.S.C. 1101 et seq., and section 301 of title 3, United States Code, and to protect the American people from terrorist attacks by foreign nationals admitted to the United States, it is hereby ordered as follows:

Section 1. Purpose. The visa-issuance process plays a crucial role in detecting individuals with terrorist ties and stopping them from entering the United States. Perhaps in no instance was that more apparent than the terrorist attacks of September 11, 2001, when State Department policy prevented consular officers from properly scrutinizing the visa applications of several of the 19 foreign nationals who went on to murder nearly 3,000 Americans. And while the visa-issuance process was reviewed and amended after the September 11 attacks to better detect would-be terrorists from receiving visas, these measures did not stop attacks by foreign nationals who were admitted to the United States.

Numerous foreign-born individuals have been convicted or implicated in terrorism-related crimes since September 11, 2001, including foreign nationals who entered the United States after receiving visitor, student, or employment visas, or who entered through the United States refugee resettlement program. Deteriorating conditions in certain countries due to war, strife, disaster, and civil unrest increase the likelihood that terrorists will use any means possible to enter the United States. The United States must be vigilant during the visa-issuance process to ensure that those approved for admission

do not intend to harm Americans and that they have no ties to terrorism.

In order to protect Americans, the United States must ensure that those admitted to this country do not bear hostile attitudes toward it and its founding principles. The United States cannot, and should not, admit those who do not support the Constitution, or those who would place violent ideologies over American law. In addition, the United States should not admit those who engage in acts of bigotry or hatred (including "honor" killings, other forms of violence against women, or the persecution of those who practice religions different from their own) or those who would oppress Americans of any race, gender, or sexual orientation.

Sec. 2. Policy. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

Sec. 3. Suspension of Issuance of Visas and Other Immigration Benefits to Nationals of Countries of Particular Concern. (a) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall immediately conduct a review to determine the information needed from any country to adjudicate any visa, admission, or other benefit under the INA (adjudications) in order to determine that the individual seeking the benefit is who the individual claims to be and is not a security or public-safety threat.

(b) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall submit to the President a report on the results of the review described in subsection (a) of this section, including the Secretary of Homeland Security's determination of the information needed for adjudications and a list of countries that do not provide adequate information, within 30 days of the date of this order. The Secretary of Homeland Security shall provide a copy of the report to the Secretary of State and the Director of National Intelligence.

(c) To temporarily reduce investigative burdens on relevant agencies during the review period described in

subsection (a) of this section, to ensure the proper review and maximum utilization of available resources for the screening of foreign nationals, and to ensure that adequate standards are established to prevent infiltration by foreign terrorists or criminals, pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the immigrant and nonimmigrant entry into the United States of aliens from countries referred to in section 217(a)(12) of the INA, 8 U.S.C. 1187(a)(12), would be detrimental to the interests of the United States, and I hereby suspend entry into the United States, as immigrants and nonimmigrants, of such persons for 90 days from the date of this order (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas).

(d) Immediately upon receipt of the report described in subsection (b) of this section regarding the information needed for adjudications, the Secretary of State shall request all foreign governments that do not supply such information to start providing such information regarding their nationals within 60 days of notification.

(e) After the 60-day period described in subsection (d) of this section expires, the Secretary of Homeland Security, in consultation with the Secretary of State, shall submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of foreign nationals (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, C-2 visas for travel to the United Nations, and G-1, G-2, G-3, and G-4 visas) from countries that do not provide the information requested pursuant to subsection (d) of this section until compliance occurs.

(f) At any point after submitting the list described in subsection (e) of this section, the Secretary of State or the Secretary of Homeland Security may submit to the President the names of any additional countries recommended for similar treatment.

(g) Notwithstanding a suspension pursuant to subsection (c) of this section or pursuant to a Presidential proclamation described in subsection (e) of this section, the Secretaries of State and Homeland Security may, on a case-by-case basis, and when in the national interest, issue visas or other immigration

benefits to nationals of countries for which visas and benefits are otherwise blocked.

(h) The Secretaries of State and Homeland Security shall submit to the President a joint report on the progress in implementing this order within 30 days of the date of this order, a second report within 60 days of the date of this order, a third report within 90 days of the date of this order, and a fourth report within 120 days of the date of this order.

Sec. 4. Implementing Uniform Screening Standards for All Immigration Programs. (a) The Secretary of State, the Secretary of Homeland Security, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation shall implement a program, as part of the adjudication process for immigration benefits, to identify individuals seeking to enter the United States on a fraudulent basis with the intent to cause harm, or who are at risk of causing harm subsequent to their admission. This program will include the development of a uniform screening standard and procedure, such as in-person interviews; a database of identity documents proffered by applicants to ensure that duplicate documents are not used by multiple applicants; amended application forms that include questions aimed at identifying fraudulent answers and malicious intent; a mechanism to ensure that the applicant is who the applicant claims to be; a process to evaluate the applicant's likelihood of becoming a positively contributing member of society and the applicant's ability to make contributions to the national interest; and a mechanism to assess whether or not the applicant has the intent to commit criminal or terrorist acts after entering the United States.

(b) The Secretary of Homeland Security, in conjunction with the Secretary of State, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation, shall submit to the President an initial report on the progress of this directive within 60 days of the date of this order, a second report within 100 days of the date of this order, and a third report within 200 days of the date of this order.

Sec. 5. Realignment of the U.S. Refugee Admissions Program for Fiscal Year 2017. (a) The Secretary of State shall suspend the U.S. Refugee Admissions Program (USRAP) for 120 days. During the 120-day period, the Secretary of State, in

conjunction with the Secretary of Homeland Security and in consultation with the Director of National Intelligence, shall review the USRAP application and adjudication process to determine what additional procedures should be taken to ensure that those approved for refugee admission do not pose a threat to the security and welfare of the United States, and shall implement such additional procedures. Refugee applicants who are already in the USRAP process may be admitted upon the initiation and completion of these revised procedures. Upon the date that is 120 days after the date of this order, the Secretary of State shall resume USRAP admissions only for nationals of countries for which the Secretary of State, the Secretary of Homeland Security, and the Director of National Intelligence have jointly determined that such additional procedures are adequate to ensure the security and welfare of the United States.

(b) Upon the resumption of USRAP admissions, the Secretary of State, in consultation with the Secretary of Homeland Security, is further directed to make changes, to the extent permitted by law, to prioritize refugee claims made by individuals on the basis of religious-based persecution, provided that the religion of the individual is a minority religion in the individual's country of nationality. Where necessary and appropriate, the Secretaries of State and Homeland Security shall recommend legislation to the President that would assist with such prioritization.

(c) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of nationals of Syria as refugees is detrimental to the interests of the United States and thus suspend any such entry until such time as I have determined that sufficient changes have been made to the USRAP to ensure that admission of Syrian refugees is consistent with the national interest.

(d) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of more than 50,000 refugees in fiscal year 2017 would be detrimental to the interests of the United States, and thus suspend any such entry until such time as I determine that additional admissions would be in the national interest.

(e) Notwithstanding the temporary suspension imposed pursuant to subsection (a) of this section, the Secretaries of

State and Homeland Security may jointly determine to admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such individuals as refugees is in the national interest -- including when the person is a religious minority in his country of nationality facing religious persecution, when admitting the person would enable the United States to conform its conduct to a preexisting international agreement, or when the person is already in transit and denying admission would cause undue hardship -- and it would not pose a risk to the security or welfare of the United States.

(f) The Secretary of State shall submit to the President an initial report on the progress of the directive in subsection (b) of this section regarding prioritization of claims made by individuals on the basis of religious-based persecution within 100 days of the date of this order and shall submit a second report within 200 days of the date of this order.

(g) It is the policy of the executive branch that, to the extent permitted by law and as practicable, State and local jurisdictions be granted a role in the process of determining the placement or settlement in their jurisdictions of aliens eligible to be admitted to the United States as refugees. To that end, the Secretary of Homeland Security shall examine existing law to determine the extent to which, consistent with applicable law, State and local jurisdictions may have greater involvement in the process of determining the placement or resettlement of refugees in their jurisdictions, and shall devise a proposal to lawfully promote such involvement.

Sec. 6. Rescission of Exercise of Authority Relating to the Terrorism Grounds of Inadmissibility. The Secretaries of State and Homeland Security shall, in consultation with the Attorney General, consider rescinding the exercises of authority in section 212 of the INA, 8 U.S.C. 1182, relating to the terrorism grounds of inadmissibility, as well as any related implementing memoranda.

Sec. 7. Expedited Completion of the Biometric Entry-Exit Tracking System. (a) The Secretary of Homeland Security shall expedite the completion and implementation of a biometric entry-exit tracking system for all travelers to the United States, as recommended by the National Commission on Terrorist Attacks Upon the United States.

(b) The Secretary of Homeland Security shall submit to the President periodic reports on the progress of the directive contained in subsection (a) of this section. The initial report shall be submitted within 100 days of the date of this order, a second report shall be submitted within 200 days of the date of this order, and a third report shall be submitted within 365 days of the date of this order. Further, the Secretary shall submit a report every 180 days thereafter until the system is fully deployed and operational.

Sec. 8. Visa Interview Security. (a) The Secretary of State shall immediately suspend the Visa Interview Waiver Program and ensure compliance with section 222 of the INA, 8 U.S.C. 1222, which requires that all individuals seeking a nonimmigrant visa undergo an in-person interview, subject to specific statutory exceptions.

(b) To the extent permitted by law and subject to the availability of appropriations, the Secretary of State shall immediately expand the Consular Fellows Program, including by substantially increasing the number of Fellows, lengthening or making permanent the period of service, and making language training at the Foreign Service Institute available to Fellows for assignment to posts outside of their area of core linguistic ability, to ensure that non-immigrant visa-interview wait times are not unduly affected.

Sec. 9. Visa Validity Reciprocity. The Secretary of State shall review all nonimmigrant visa reciprocity agreements to ensure that they are, with respect to each visa classification, truly reciprocal insofar as practicable with respect to validity period and fees, as required by sections 221(c) and 281 of the INA, 8 U.S.C. 1201(c) and 1351, and other treatment. If a country does not treat United States nationals seeking nonimmigrant visas in a reciprocal manner, the Secretary of State shall adjust the visa validity period, fee schedule, or other treatment to match the treatment of United States nationals by the foreign country, to the extent practicable.

Sec. 10. Transparency and Data Collection. (a) To be more transparent with the American people, and to more effectively implement policies and practices that serve the national interest, the Secretary of Homeland Security, in consultation with the Attorney General, shall, consistent with

applicable law and national security, collect and make publicly available within 180 days, and every 180 days thereafter:

(i) information regarding the number of foreign nationals in the United States who have been charged with terrorism-related offenses while in the United States; convicted of terrorism-related offenses while in the United States; or removed from the United States based on terrorism-related activity, affiliation, or material support to a terrorism-related organization, or any other national security reasons since the date of this order or the last reporting period, whichever is later;

(ii) information regarding the number of foreign nationals in the United States who have been radicalized after entry into the United States and engaged in terrorism-related acts, or who have provided material support to terrorism-related organizations in countries that pose a threat to the United States, since the date of this order or the last reporting period, whichever is later; and

(iii) information regarding the number and types of acts of gender-based violence against women, including honor killings, in the United States by foreign nationals, since the date of this order or the last reporting period, whichever is later; and

(iv) any other information relevant to public safety and security as determined by the Secretary of Homeland Security and the Attorney General, including information on the immigration status of foreign nationals charged with major offenses.

(b) The Secretary of State shall, within one year of the date of this order, provide a report on the estimated long-term costs of the USRAP at the Federal, State, and local levels.

Sec. 11. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

Subject: IMPLEMENTATION UPDATE - EO on Vetting

Team,

I wanted to outline CBP's initial operational plan, options, and issues. Apologies for the long email, but want to make sure that all have clarity on how we plan to implement the EO tonight and tomorrow, and some of the potential concerns we see:

Immediate Actions:

(b) (7)(E)

--Operational guidance is being sent out to all Directors of Field Operations and Ports of Entry, and to notify Port Directors of procedures for land border encounters.

--DHS and CBP have successfully coordinated with State and received a letter of provisional cancellation of visas issued to travelers from the seven affected countries.

Current Status:

--Approximately 115 Nonimmigrant and immigrant visa holders are in the air traveling on passports from the seven affected countries are currently en route. Another 61 are lawful permanent residents (LPRs) returning home. The most significantly affected nationality is Iran (63 NIV/IV; 41 LPR).

--No additional refugee arrivals from the seven affected countries are expected before Monday.

--Operational reporting will commence NLT 0900 tomorrow to the NOC and DHS front office, to include numbers of travelers encountered, disposition, and any other issues.

Issues/Concerns

(b) (5)

(b) (5), (b) (7)(E)

--Operationally, we could see the following:

1. (b) (5)

2.

3.

(b) (5)

(b) (5)

Other issues:

--Appropriate Expedited Removal/Credible fear processes will be applied.

--Other cases of national interest, will be assessed for case by case waiver adjudication under per the Executive Order.

Adding CoS,

Gene,
Understood. We want to faithfully and quickly execute the EO, but want everyone to know that this guidance changes our status.

(b) (5)
(b) (5) The 175 travelers a day average was for non-immigrant visa holders and non-LPR immigrant visas.

It will be more like 600-800 a day including LPRs. We have 300 in the air inbound right now. And of course, they are revetted in a way to board the aircraft and re-enter the country.

We will keep working up operational impact, but wanted to flag this as our understanding has changed.

They should generally be provided the case-by-case exemption under 3(g), provided that it is in the national interest to do so (i.e. provided that there is no security risk posed, meaning that there should be a revetting of sorts).

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman
Executive Director
Admissibility and Passenger Programs
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b) (7) will coordinate the denial of boarding through (b) (7)(E) locations, and (b) (7)(E) (b) (7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:

- (1) All case processing will be recorded (b) (7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, *without a sworn statement*. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b) (7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b) (7)(E) should be notated in (b) (7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b) (7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b) (7)(E), (A) Director, Enforcement Programs Division, at (b) (7)(E)

MEMORANDUM FOR: Directors, Field Operations
Director, Pre-Clearance

FROM: [REDACTED]
Deputy Executive Director, Operations (Acting)
Office of Field Operations

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison ([REDACTED]@cbp.dhs.gov). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at [REDACTED]. For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at [REDACTED].

MEMORANDUM FOR: Directors, Field Operations
Director, Pre-Clearance

FROM: [REDACTED]
Deputy Executive Director, Operations (Acting)
Office of Field Operations

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison ([REDACTED]@cbp.dhs.gov). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b) (7)(E) [REDACTED]. For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at [REDACTED].

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b) (7) will coordinate the denial of boarding through (b) (7)(E) locations, and (b) (7)(E).

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:

- (1) All case processing will be recorded in (b) (7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, ***without a sworn statement***. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b) (7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b) (7)(E) should be notated in (b) (7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b) (7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact [REDACTED], (A) Director, Enforcement Programs Division, at [REDACTED]

Importance: High

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman
Executive Director
Admissibility and Passenger Programs
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b) (7) will coordinate the denial of boarding through (b) (7)(E) locations, and (b) (7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:

- (1) All case processing will be recorded in (b) (7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, *without a sworn statement*. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b) (7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption

has been granted results of (b) (7)(E) should be noted in [REDACTED] with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b) (7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Starting on January 31st, the Ports of Miami, Houston and LA will encounter Central American Minors that have been authorized parole into the United States for a period of two (2) years. I have attached a list of the individuals scheduled to arrive to include a exemplar of the document they will present on primary. Just to alleviate any potential confusion, while these are adjudicated by CIS Refugee Office, these are not refugees, nor subject to the EO.

Directors,

Here is a quick summary regarding the Executive Order:

- You have waiver authority for:
 - LPRs- still require an individualized waiver for each entry.
 - First time refugees.
 - Remaining in-scope categories – C1 approval required. Delegation request to DFOs is currently with the S1. We hope to have today.
- [REDACTED] . We continue to push at all levels.
- Issued WD guidance based on court order.
- Crewman that are now lacking a valid visa and are determined to pose no additional concerns to the security of the United States may be detained on board the vessel, with an approved security plan, for the duration of the vessel's U.S. voyage. Crewman that pose a concern to the security of the United States should be ordered removed under safeguard pursuant to standard operating procedures. [REDACTED]
- C1, C2, EAC Owen, etc., continue to work through a prioritized list of Congressional calls.
- We're working with Department of State to align our EO policies and protocols with additional changes expected soon.
- We'll have FAQs posted via CBP website and a public inquiry call center established later today.

For convenience, I have also attached the previously issued guidance to Field Offices since the Executive Order:

1/30 email: court compliance on WD

MEMORANDUM TO THE ACTING SECRETARY OF STATE, THE ACTING ATTORNEY GENERAL, AND THE SECRETARY OF HOMELAND SECURITY

FROM: Donald F. McGahn II – Counsel to the President

SUBJECT: Authoritative Guidance on Executive Order Entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” (Jan. 27, 2017)

Section 3(c) of the Executive Order entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” (Jan. 27, 2017) suspends for 90 days the entry into the United States of certain aliens from countries referred to in section 217(a)(12) of the Immigration and Nationality Act (INA), 8 U.S.C. 1187(a)(12). Section 3(e) of the order directs the Secretary of Homeland Security, in consultation with the Secretary of State, to submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of certain foreign nationals from countries that do not provide information needed to adjudicate visas, admissions, or other benefits under the INA.

I understand that there has been reasonable uncertainty about whether those provisions apply to lawful permanent residents of the United States. Accordingly, to remove any confusion, I now clarify that Sections 3(c) and 3(e) do not apply to such individuals. Please immediately convey this interpretive guidance to all individuals responsible for the administration and implementation of the Executive Order.

Executive Order (EO) *Protecting the Nation from Foreign Terrorist Entry into the United States*

- On 27 January 2017, the President of the United States signed Executive Order (EO) *Protecting the Nation from Foreign Terrorist Entry into the United States*.
 - Effective immediately in accordance with the new EO, all immigrant and nonimmigrant persons of Iraq, Iran, Libya, Somalia, Sudan, Syria and Yemen are suspended entry into the U.S. for the next 90 days.
- The suspension does not affect foreign nationals traveling on diplomatic visas, NATO visas, C-2 visas for travel to the United Nations and G-1, G-2, G-3 and G-4.
- U.S. Lawful Permanent Residents (green card holders)
 - In accordance with White House Guidance issued on February 1, 2017, Sections 3(c) and 3(e) of Executive Order Entitled "Protecting the Nation from Foreign Terrorist Entry into the United States" do not apply to Lawful Permanent Residents.
- Dual citizens: EO applies to Dual Citizens, but travelers are being treated according to the travel document they present. For example, if they present a Canadian passport, that is how they are processed for entry.
- Someone who is in the Federal Inspection Area right now: Each person who may be admissible from one of the seven countries, has to have an individual waiver. Processing the waivers may delay the release of the individual.
- What about refugees who are considered to be "in transit?"
 - There are currently 872 refugees who are considered to be in transit who are scheduled to arrive in the United States this week. The Secretaries of State and DHS have coordinated and will process the 872 individuals consistent with the terms of the Executive Order, which we've operationalized by assessing each traveler on a case-by-case basis.
- Documents that can be used by citizens identified by the EO to enter the United States are:
 - Any diplomatic visa (A, G, C-2, or NATO)
 - An I-551 (Green Card)
 - An advance parole document
 - Any SQ immigrant visa

DFOs,

Please be aware that various locations around the country have begun receiving a high volume of calls from various individuals and others claiming to be attorneys regarding the recent Executive Order (EO). The callers appear to be reading from a script and they begin by identifying themselves, state they are calling regarding the EO and proceed to ask if we are following the law, the EO and ask how many people we are currently detaining. This is most likely a form of telephonic protest to the EO.

Please advise all your personnel not to engage the callers nor respond to any questions. Ensure all requests for information are referred to the Office of Public Affairs.

Thank you,

FROM: Todd A. Hoffman

Office of Field Operations

SUBJECT: Mohammed v. Trump, No. 17-cv-00786

The Federal District Court has made an order in the litigation, Mohammed v. Trump, No. 17-cv-00786. The Department of Justice will make a formal request from the plaintiffs for confirmation of passport numbers and dates of birth. In the interim, the 38 individuals below should be permitted to board commercial carriers bound for the United States and on arrival should be processed for an exception to the Executive Order and admitted, unless inadmissibility unrelated to section 212(f) of the Immigration and Nationality Act exists.

Upon receipt of the court's order, CBP Los Angeles should provide, via email, a copy of the order to all international carriers at Los Angeles International Airport. Additionally, Regional Carrier Liaison Groups and the National Targeting Center should update records to ensure there is no impediment to these individuals boarding commercial carriers and take any other appropriate steps to facilitate travel.

All,

Per the Department of Justice:

(b) (5)

Accordingly, effective immediately, U.S. Customs and Border Protection will **suspend** any and all actions implementing the affected sections of the Executive Order 13769 entitled, *"Protecting the Nation from Foreign Terrorist Entry into the United States"* (January 27, 2017). Field Offices are instructed to immediately resume inspection of travelers in accordance with standard policy and procedure.

This will include actions to suspend targeting system rules that flag travelers for operational action subject to the Executive Order including the State Department's letter revoking visas based on that Executive Order (attached).

Please communicate this suspension as appropriate with key stakeholders such as airlines.

We will update you with further guidance as soon as it is received.

Executive Order: Protecting the Nation from Foreign Terrorist Entry to the United States

Last Updated: February 4, 2017

PLACEHOLDER – WHITE HOUSE STATEMENT

PLACEHOLDER – DHS STATEMENT

CBP STATEMENT:

At the direction of Secretary Kelly, U.S Customs and Border Protection has immediately re-established procedures to enforce the President's Executive Order: Protecting the Nation from Foreign Terrorist Entry into the United States.

The Executive Order applies to nearly all individuals traveling on passports from Iraq, Syria, Sudan, Iran, Somalia, Libya, and Yemen who are applying for entry to the U.S. at any port of entry—air, land or sea.

CBP is identifying any individuals on flight or vessel manifests bound for the U.S. who are subject to the Executive Order and recommending to carriers that they not be allowed to board.

Individuals who have already boarded aircraft bound for the U.S. prior to reinstatement of the Executive Order [day and time] will be processed in accordance with the Western District of Washington Circuit Court's Temporary Restraining Order.

CBP will continue to grant waivers, as outlined in the Executive Order, to individuals whose admission into the country is in the national interest, and who do not pose a national security threat.

CBP is committed to implementing the Executive Order humanely and with professionalism. All international travelers traveling to the U.S. are subject to CBP inspection to determine admissibility upon arrival.

Key Messages

- In order to protect Americans, and to advance the national interest, the United States must ensure that we have adequate information about individuals seeking to enter this country to ensure that they do not bear malicious intent toward the United States and its people.
- Approximately 80 million international travelers enter the United States every year. Less than one percent of the more than 325,000 international air travelers who arrive every day were inconvenienced after the Executive Order was signed while enhanced security measures were implemented. These individuals went through enhanced security screenings and were processed for entry to the United States, consistent with our immigration laws and judicial orders.
- U.S. Customs & Border Protection will faithfully execute the immigration laws, and we will treat all of those we encounter humanely and with professionalism. No foreign national in a foreign land, without ties to the United States, has any unfettered right to demand entry into the United States or to demand immigration benefits in the United States.

Talking Points

- All international travelers arriving to the U.S. are subject to CBP inspection. This inspection may include electronic devices such as computers, disks, drives, tapes, mobile phones and other communication devices, cameras, music and other media players and any other electronic or digital devices. Keeping America safe and enforcing our nation's laws in an increasingly digital world depends on our ability to lawfully examine all materials entering the U.S.
- "U.S. Customs and Border Protection realizes the importance of international travel to the U.S. economy and we strive to process arriving travelers as efficiently and securely as possible while ensuring compliance with laws and regulations governing the international arrival process. Any international traveler who seeks resolutions regarding difficulties they experience can use DHS Traveler Redress Inquiry Program www.dhs.gov/dhs-trip.

Frequently Asked Questions:

1. When did enforcement of the Executive Order start?

The Executive Order became effective on January 27, 2017.

2. Does this affect travelers at all ports of entry?

Yes, this Executive Order applies to nearly all travelers, except U.S. citizens, traveling on passports from Iraq, Syria, Sudan, Iran, Somalia, Libya, and Yemen who are applying for entry to the United States at any port of entry—air, land or sea.

3. How many people are currently detained at Ports of Entry as a result of the Executive Order?

CBP is not currently holding in its custody any individual solely based on the Executive Order. However, at any given time there may be a number of people going through inspection who fall within the scope of the Executive Order. All individuals who arrive in the United States are subject to inspection.

4. What do the two exemptions in the Executive Order mean? How are they applied to individual cases?

DHS and State can review individual cases and grant waivers on a case-by-case basis if that individual's admission to the United States is deemed to be in the national interest and if they do not pose a national security threat.

5. What is the process for considering an individual for an exemption under the Executive Order?

Senior DHS personnel can review individual cases and grant exemptions on a case-by-case basis if that individual's admission to the United States falls within the parameters of the Executive Order. CBP is processing exemptions consistent with the Secretary's guidance.

6. Does "from one of the seven countries" mean citizen, national or born in?

Travelers are being treated according to the travel document they present.

7. How does the lawsuit/stay affect DHS operations in implementing this executive order?

The Department of Homeland Security will continue to enforce all of President Trump's Executive Orders in a manner that ensures the safety and security of the American people. President Trump's Executive Orders remain in place—prohibited travel will remain prohibited, and the U.S. government retains its right to revoke visas at any time if required for national security or public safety. President Trump's Executive Order affects a minor portion of international travelers, and is a first step towards reestablishing control over America's borders and national security.

8. Does this Executive Order apply to green card holders from one of the seven countries listed?

Under the recent guidance from the White House, we will continue to ensure that lawful permanent residents are processed through our borders efficiently. Under that guidance, the Executive Order issued January 27, 2017, does not apply to their entry to the United States. U.S. Customs and Border Protection will continue to execute its mission to protect the homeland in its processing of all individuals at ports of entry.

9. Will nationals of restricted countries with valid green cards (LPRs) be allowed to return to the United States?

Under the recent guidance from the White House, CBP will continue to ensure that LPRs are processed through our borders efficiently. Under that guidance, the Executive Order entitled "Protecting the Nation from Foreign Terrorist Entry into the United States" does not apply to LPRs' entry to the United States. Prior to this guidance, and as of February 1, 2017, CBP processed 1,610 waivers for LPRs to re-enter the United States.

10. How many Lawful Permanent Residents have not been allowed to enter pursuant to the exception to the Executive Order?

Two. One, who was entered into proceedings based on a criminal record. Another individual chose to return to Canada and withdrew their request for entry.

11. Has CBP been pressuring detainees to either withdraw their applications for admission into the country or sign documents rescinding their green cards? There are reports that CBP is confiscating green cards.

CBP is committed to following the law. Any withdrawal of an application for admission must be voluntary. The withdrawal process is not new and CBP officers are well trained to ensure that individuals make voluntary decisions.

12. Does this Executive Order apply to dual nationals of the seven countries who want to enter the United States? If they apply for entry based on their citizenship from one of the countries NOT on the list, will they be allowed entry?

Travelers are being processed and, when eligible, admitted according to the travel document they present.

13. Can a dual national traveling with a passport from an unrestricted country travel to the United States?

Dual nationals with a valid immigrant or nonimmigrant visa in a passport issued by any country not restricted under the Executive Order will be permitted to apply for admission to the United States.

14. Can a dual national who holds nationality with a restricted country and is currently overseas, apply for an immigrant or nonimmigrant visa to the United States?

Department of State's Posts are allowed to process visa applications and issue nonimmigrant and immigrant visas to otherwise eligible visa applicants who apply with a passport from an unrestricted country, even if they hold dual nationality from a restricted country. Please contact the Department of State with any questions related to the issuance of visas.

15. How does the Executive Order affect college students from the seven countries, such as F1/J1/M1 visa holders? Are they included in the Executive Order? What kind of guidance is being given to foreign students from these countries legally in the U.S.?

F1/J1/M1 visas are currently provisionally revoked due to the Executive Order. Individuals who were in the U.S. at the time of the signing of the executive order are not affected by the order. However, individuals who were out of the country at the time of the signing, or who travel out of the country and attempt to return will not be allowed to return for this temporary period because of a lack of valid travel documents. The Department is evaluating whether those who are precluded from returning as a result of the Executive Order will be considered to have maintained their status as F1 or M1 students.

16. Can USCIS continue refugee interviews of religious minorities and for countries with which we have an agreement?

DHS and DOS continue to review the Executive Order and will conduct interviews as appropriate and consistent with the Executive Order.

17. Will the U.S. accept emergency requests to process a refugee who will then travel?

DHS and DOS will coordinate the processing of individual refugee cases which may be appropriate for travel consistent with the Executive Order.

18. Can the exception for refugee admission be used in I-730 cases (family members following to join) for the petition of refugee/asylee relatives?

These cases will be evaluated on a case-by-case basis.

19. What about refugees who are considered to be "in transit?"

There are currently 872 refugees who are considered to be in transit who are scheduled to arrive in the United States this week. The Secretaries of State and DHS have coordinated and will process the 872 individuals consistent with the terms of the Executive Order, which we've operationalized by assessing each traveler on a case-by-case basis.

20. Does the Executive Order apply to those currently being adjudicated for naturalization?

No. USCIS will continue to adjudicate N-400 applications for naturalization and administer the oath of citizenship consistent with prior practices.

21. Will Canadian immigrants affected by the Executive Order be eligible for entry to the United States?

Landed immigrants of Canada (not including refugees) who hold passports of a restricted country can apply for admission to the United States, if the individual presents that passport with a valid immigrant or nonimmigrant visa and proof of their landed immigrant status, and only if the travel both originates in Canada and is through a land border or Preclearance location.

22. Can Canadian immigrants affected by the Executive Order apply for an immigrant or nonimmigrant visa to the United States?

Landed immigrants of Canada (not including refugees) who hold passports of a restricted country can apply for an immigrant or nonimmigrant visa to the United States, if the individual presents that passport and proof of landed immigrant status to a consular officer. These applications shall be made at a U.S. consular section in Canada.

23. Will Iraqi Passport holders with a valid Special Immigrant Visa be eligible for entry to the United States?

The entry of Iraqi nationals with a valid Special Immigrant Visa to the United States is deemed to be in the national interest and such individuals can apply for admission to the United States. Accordingly, absent the receipt of significant derogatory information indicating a serious threat to public safety and welfare, possession of a Special Immigrant Visa will be a dispositive factor in case-by-case determinations. Iraqi nationals can also apply to a consular officer for Special Immigrant Visas, and, if otherwise qualified, can be issued a Special Immigrant Visa.

24. How many aliens with special immigrant visas have been denied entry?

None

25. Has CBP issued clear guidance to CBP officers at Ports of Entry on the Executive Order and the court orders?

Yes, CBP issued guidance to the field expeditiously upon the signing of the Executive Order. CBP has and will continue to issue any needed guidance to the field with respect to court orders. All individuals, including those affected by the court orders, are being given all rights afforded under the law.

26. What coordination is being done between CBP and the carriers?

CBP has been and will remain in constant communication with the airlines through CBP regional carrier liaisons. In addition, CBP has held multiple executive level calls with the airlines in order to provide guidance, answer questions, and address concerns.

27. What additional screening will nationals of restricted countries (as well as any visa applications) undergo as a result of the Executive Order?

In adjudicating both admission to the United States and issuance of visas, both DHS and DOS will continue to apply all appropriate security vetting procedures.

28. Does CBP have the authority to search individuals' electronics?

All international travelers arriving to the U.S. are subject to CBP inspection. This inspection may include electronic devices such as computers, disks, drives, tapes, mobile phones and other communication devices, cameras, music and other media players and any other electronic or digital devices.

Various laws that CBP is charged to enforce authorize searches and detention in accordance with 8 U.S.C. § 1357 and 19 U.S.C. §§ 1499, 1581, 1582. All persons, baggage, and merchandise arriving in, or departing from, the United States are subject to inspection, search and detention. This is because CBP officers must determine the identity and citizenship of all persons seeking entry into the United States, determine the admissibility of foreign nationals, and deter the entry of possible terrorists, terrorist weapons, controlled substances, and a wide variety of other prohibited and restricted items.

Keeping America safe and enforcing our nation's laws in an increasingly digital world depends on our ability to lawfully examine all materials entering the U.S.

Additional information on electronic searches is available [here](#) and [here](#).

29. Is a first time arrival on an immigrant visa eligible for an exemption?

It is important to understand that there is a distinction between holders of immigrant visas and Lawful Permanent Residents (LPRs) – individuals overseas with immigrant visas are not LPRs. The Executive Order currently applies to travelers arriving for the first time to the United States with immigrant visas.

30. Are all returning Lawful Permanent Residents (LPRs) eligible for an exemption?

Under White House guidance issued on February 1, 2017, Sections 3(c) and 3(e) of the Executive Order entitled "Protecting the Nation from Foreign Terrorist Entry into the United States" do not apply to LPRs and their entry into the United States. As such, LPRs do not require

an exemption. CBP will continue to execute its mission to protect the homeland in its processing of all individuals at our ports of entry and will continue to ensure LPRs are processed through our borders efficiently.

31. Are Trusted Travelers (Global Entry, NEXUS, SENTRI, and FAST) affected by the Executive Order?

There is no exemption in the Executive Order for Trusted Travelers. On February 1, 2017, the White House issued guidance stating that lawful permanent residents (LPR) were not subject to the Executive Order entitled "Protecting the Nation from Foreign Terrorist Entry into the United States." Prior to that guidance, CBP suspended Trusted Traveler membership for approximately 500 people. After the guidance was issued, CBP worked to reinstate members who were no longer subject to the Executive Order. Those members have been fully reinstated as of February 2, 2017. Some members of NEXUS and FAST are still subject to the Executive Order. As such, their memberships will remain suspended.

Public Affairs Objective:

To effectively communicate to the traveling public through the media, CBP's role in the implementation of the Executive Order: Protecting The Nation From Foreign Terrorist Entry To The United States

Background

The Executive Order signed on January 27, 2017 allows for the proper review and establishment of standards to prevent terrorist or criminal infiltration by foreign nationals. The United States has the world's most generous immigration system, yet it has been repeatedly exploited by terrorists and other malicious actors who seek to do us harm. In order to ensure that the United States government can conduct a thorough and comprehensive analysis of the national security risks posed from our immigration system, it imposes a 90-day suspension on entry to the United States of nationals of certain designated countries—countries that were designated by Congress and the Obama Administration as posing national security risks in the Visa Waiver Program.

In order to protect Americans, and to advance the national interest, the United States must ensure that those entering this country will not harm the American people subsequent to their entry, and that they do not bear malicious intent toward the United States and its people. The Executive Order protects the United States from countries compromised by terrorism and ensures a more rigorous vetting process. This Executive Order ensures that we have a functional immigration system that safeguards our national security.

This Executive Order, provided the Department with additional resources, tools and personnel to carry out the critical work of securing our borders, enforcing the immigration laws of our nation, and ensuring that individuals who pose a threat to national security or public safety cannot enter or remain in our country. Protecting the American people is the highest priority of our government and this Department.

The Department of Homeland Security will faithfully execute the immigration laws and the President's Executive Order, and we will treat all of those we encounter humanely and with professionalism.
