Plaintiff,

v.

L&L WINGS, INC.,

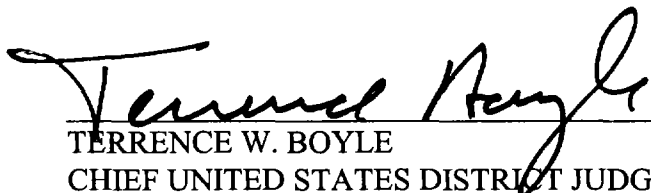

Defendant.

ORDER

This matter is before the Court on the parties Consent Motion to Amend Consent Decree, filed pursuant to Rules 59 and 60 of the Federal Rules of Civil Procedure. On November 16, 2002, a Consent Decree was entered in this case. Pursuant to Paragraph 12 of that decree, an Employee Notice must be posted by Defendant. The parties claim that the Notice attached to the Consent Decree at Appendix A was incorrect. They ask to substitute a corrected Notice, which is attached to the parties' motion. Finding good cause for the requested amendment, the Court GRANTS the parties' joint motion. The Consent Decree is hereby AMENDED to reflect the corrected Employee Notice, which shall be posted pursuant to the terms of the Consent Decree.

SO ORDERED.
