

Diamond Precinct in Wayne County. Registered voters in this precinct were 84 negro and 16 white. (It is interesting to note that in this precinct Winter got 69 votes and John Bell Williams and all the other candidates for Governor in the First Primary got a total of 16—exactly the number of the white voters registered!)

Fannin Precinct in Rankin County. Registered voters in this precinct were 249 negro and 96 white.

Mt. Carmel Precinct in Jefferson Davis County. Registration more than 90 per cent negro.

Jackson, Ward 5—the area west and north-west of the State Office Building to Mill Street. Wards 22, 23, and 24—this area

is centered around Mayes Street west of the I. C. Railroad and the Jim Hill High School (for negroes). Ward 43—the area centered around Lynch Street and Jackson State College (for negroes). Winter led by approximately 90 percent in this Ward. (All of these Jackson Wards have a few white families living around the edges of the Wards.)

Space does not permit listing of the many other negro boxes which block voted for Winter like this. As an example, however, Winter had an overwhelming majority of votes in the all-negro community of Mound Bayou. If your County is not shown here, make it your duty to learn the truth and spread the story of this conspiracy before it is too late!

The destiny of the people of Mississippi is at stake in this race for Governor! The only issue is whether the minority block vote will run Mississippi politics in the future.

DON'T BE FOOLED. THE MINORITY WILL BLOCK VOTE 100% FOR WINTER ON AUGUST 29. YOU MUST VOTE ON AUGUST 29 BECAUSE

IF WILLIAM WINTER IS ELECTED GOVERNOR

Then politicians in Mississippi in the future will think they have to court the negroes to get elected, as they do in Northern States, and

THE MINORITY WILL RUN MISSISSIPPI

VOTE ON AUGUST 29 FOR

JOHN BELL WILLIAMS

THE CONSERVATIVE CANDIDATE FOR GOVERNOR
